Stabilimenti industriali

Industrial factories - Établissements industriels

3 aree operative si estendono su una superficie di 30.000 m², da cui ogni anno vengono spediti in tutto il mondo oltre 80.000 prodotti costruiti per durare nel tempo.

Negli stabilimenti di Gruppo Geromin la cultura del Made in Italy convive con sistemi produttivi di nuova generazione e a basso impatto ambientale, con la ricerca di nuovi design e funzionalità, e con un'organizzazione logistica all'avanguardia, per garantire massima qualità ed efficienza, dalla progettazione alla consegna.

3 operating areas extend over a surface of 30,000 m², from which more than 80,000 products are shipped all over the world every year. Made in Italy culture coexists in the Gruppo Geromin factories with new generation and low environmental impact production systems, with research into new design and functionality, and with an advanced logistics set-up to guarantee maximum quality and efficiency, from design to delivery.

3 zones opérationnelles s'étendent sur une surface de 30 000 m², d'où sont expédiés chaque année dans le monde entier plus de 80 000 produits conçus pour durer. Dans les sites industriels du Gruppo Geromin, la culture du Made in Italy coexiste avec des systèmes de production de nouvelle génération à faible impact environnemental, avec la recherche de nouveaux designs et de nouvelles fonctionnalités, et avec une organisation logistique de pointe pour garantir une qualité et une efficacité maximales, depuis la conception jusqu'à la livraison.

HAFRO - SAUNA VITA

CERAMICHE DI HAFRO

GEROMIN

3 brand per un unico grande gruppo

3 brands for one great group - Trois marques pour un grand groupe

HAFRO
WELLNESS & SHOWER

Il brand Hafro produce vasche idromassaggio, piatti doccia, minipiscine e spa di design, box doccia multifunzione, colonne doccia con generatore di vapore, sistemi doccia completi, sanitari e lavabi in ceramica. Prodotti Made in Italy caratterizzati da materiali di pregio, che offrono prestazioni di altissimo livello.

Hafro brand produces hydromassage tubs, shower trays, designer spas, multifunction shower cabins, shower columns with steam generator, complete shower systems, sanitaryware and ceramic washbasins. Made in Italy products characterised by high quality materials, offering the highest performance level.

La marque Hafro produit des baignoires d'hydromassage, des receveurs de douche, des mini-spas et des spas design, des cabines de douche multifonctions, des colonnes de douche avec générateur de vapeur, des systèmes de douche complets, des articles sanitaires et des lavabos en céramique. Des produits fabriqués en Italie, caractérisés par des matériaux de haute qualité, offrant le plus haut niveau de performance.

SAUNAVITA
SAUNA & HAMMAM

Sauna Vita è il brand che realizza saune finlandesi e biosaune, hammam, sistemi wellness completi di sauna-bagno turco e doccia integrata, docce emozionali e generatori di vapore per spazi domestici e per spa professionali. Ogni soluzione è studiata al minimo dettaglio per la progettazione della Spa ideale.

Sauna Vita is the brand that produces Finnish saunas and biosaunas, hammams, wellness systems complete with sauna/turkish bath and integrated shower, sensory showers and steam generators for domestic spaces and professional spas. Each solution is studied in detail to design the ideal spa.

Sauna Vita est la marque qui crée des saunas et biosaunas finlandais, des hammams, des systèmes de bien-être complets avec sauna/bain turc et douche intégrée, des douches d'expérience et des générateurs de vapeur pour les espaces domestiques et les spas professionnels. Chaque solution est étudiée dans les moindres détails pour concevoir le spa idéal.

GEROMIN
BATHROOM & LAUNDRY

Il brand Geromin produce arredo bagno e lavanderia con materiali innovativi e di alto valore estetico. L'ampia scelta di finiture e colori, uniti alle infinite possibilità di personalizzazione, permettono di rendere gli ambienti di servizio della casa sempre più funzionali, completi e coordinati.

Geromin brand produces bathroom and laundry furniture with innovative materials of high aesthetic value. The wide choice of finishes and colours, together with the countless possibilities of customisation, allow us to create the most functional, complete and co-ordinated service environments at home.

La marque Geromin produit des meubles de salle de bains et de buanderie avec des matériaux innovants et de haute valeur esthétique. Le vaste choix de finitions et de couleurs, associé aux possibilités infinies de personnalisation, permet de rendre les zones de service de la maison plus fonctionnelles, plus complètes et mieux coordonnées.

Perché scegliere un mobile bagno Geromin

The added value of Gruppo Geromin furniture - Les avantages des meubles du Gruppo Geromin

Garanzia 24 mesi

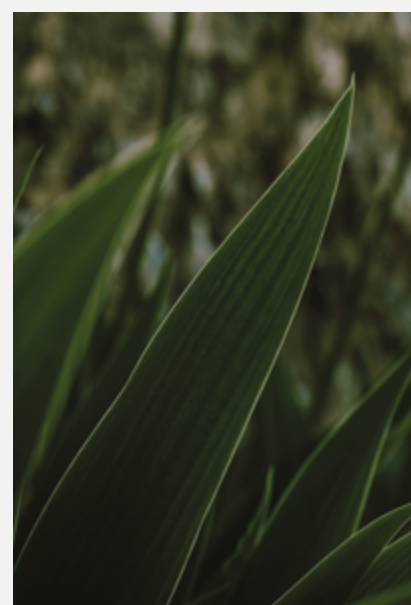

La garanzia copre i prodotti per 24 mesi dalla data di consegna. Materiali selezionati, qualità costruttiva e corretta installazione contribuiscono a preservarne nel tempo funzionalità, prestazioni e durata originarie.

24 months warranty

The warranty covers the products for 24 months from the date of delivery. Carefully selected materials, high-quality workmanship and correct installation help to preserve their original functionality, performance and durability over time.

Garantie de 24 mois

La garantie couvre les produits pendant 24 mois à compter de la date de livraison. Le choix des matériaux, la qualité de fabrication et une installation correcte contribuent à préserver dans le temps leurs fonctionnalités, leurs performances et leur durée de vie d'origine.

Ecosostenibilità

La produzione privilegia la filiera corta e materiali selezionati per durare. Gli impianti fotovoltaici dei tre stabilimenti raggiungono una potenza complessiva di 1 MW e favoriscono l'autoproduzione di energia rinnovabile.

Environmental sustainability

Production prioritises a short supply chain and materials selected for their durability. The solar panels at the three plants have a combined capacity of 1 MW and support the generation of renewable energy on-site.

Éco-durabilité

La production privilégie les circuits courts et des matériaux sélectionnés pour leur durabilité. Les installations photovoltaïques des trois usines atteignent une puissance totale de 1 MW et favorisent l'autoproduction d'énergie renouvelable.

C.A.T. Centri assistenza

Una rete di centri di assistenza autorizzati, attiva in Italia e nei principali mercati internazionali, affianca rivenditori e clienti con ricambi originali, interventi di manutenzione e riparazione, e supporto all'installazione.

C.A.T. Service centres

A network of authorised service centres, operating in Italy and in key international markets, supports dealers and customers by providing genuine spare parts, maintenance and repair services, and installation support.

C.A.T. Service client

Un réseau de centres de service après-vente agréés, présent en Italie et sur les principaux marchés internationaux, accompagne les revendeurs et les clients en leur proposant des pièces de rechange d'origine, des interventions d'entretien et de réparation, ainsi qu'une assistance à l'installation.

Qualità dei materiali

Materiali e finiture assicurano prestazioni tecniche e resa estetica, conservando nel tempo le qualità iniziali. L'ampia gamma di colori e superfici permette di personalizzare il mobile in base all'ambiente e allo stile.

Quality of materials

Materials and finishes ensure technical performance and aesthetic appeal, whilst retaining their original qualities over time. The wide range of colours and finishes allows you to customise the furniture to suit the room and style.

Qualité des matériaux

Les matériaux et les finitions garantissent des performances techniques et un rendu esthétique, tout en conservant leurs qualités d'origine au fil du temps. La large gamme de couleurs et de finitions permet de personnaliser le meuble en fonction de l'environnement et du style.

Progettazione 3CAD

Il software di configurazione 3D permette ai clienti di visualizzare il proprio progetto bagno, e ai rivenditori di configurare gli arredi, calcolare i preventivi e gestire gli ordini, in comunicazione diretta con i magazzini aziendali.

3CAD Design

The 3D configuration software enables customers to visualise their bathroom design, and allows retailers to configure fittings, calculate quotes and manage orders, whilst communicating directly with the company's warehouses.

Projet 3CAD

Le logiciel de configuration 3D permet aux clients de visualiser leur projet de salle de bains, et aux revendeurs de configurer le mobilier, d'établir des devis et de gérer les commandes, en communication directe avec les entrepôts de l'entreprise.

Cassetti ergonomici

Le diverse soluzioni di presa agevolano l'apertura, mentre la chiusura ammortizzata rende il movimento controllato e silenzioso. Il primo cassetto accoglie gli ingombri tecnici del lavabo; i vani organizzati sfruttano razionalmente lo spazio interno.

Practical drawers

The various opening mechanisms make it easy to open the drawers, whilst the soft-close mechanism ensures a controlled and silent movement. The top drawer houses the washbasin's technical components; the well-organised compartments make efficient use of the internal space.

Tiroirs pratiques

Les différents systèmes d'ouverture facilitent l'ouverture, tandis que la fermeture amortie rend le mouvement contrôlé et silencieux. Le premier tiroir abrite les éléments techniques du lavabo; les compartiments bien agencés permettent d'exploiter rationnellement l'espace intérieur.

Equilibrio e funzionalità

Balance and functionality - Équilibre et fonctionnalité

Lo stile distintivo di Gruppo Geromin si concentra in un design compatto, essenziale e funzionale: le soluzioni della linea Monoblocchi nascono da questa filosofia, coniugando l'attenzione per i dettagli estetici alla semplicità formale che ne permette l'integrazione in ogni ambiente.

The distinctive style of Gruppo Geromin focuses on a compact, essential and functional design: the Monoblocks solutions are born from this philosophy, combining attention to aesthetic details with formal simplicity that allows them to be integrated into any environment.

Le style distinctif du Gruppo Geromin se concentre dans un design compact, essentiel et fonctionnel: les solutions de la ligne Monoblocs sont nées de cette philosophie, alliant l'attention aux détails esthétiques à une simplicité formelle qui leur permet de s'intégrer dans tous les environnements.

Melaminici Altomatt Soft Touch tinta unita

Altomatt Soft Touch plain colours Melamine - Mèlaminés Altomatt Soft Touch couleur unie

Disponibile in quattro tonalità, la finitura melaminica opaca in tinta unita si distingue per l'elegante effetto seta: una texture liscia, morbida al tatto.

Available in four colours, the matt melamine is characterised by an elegant silk effect, with a surprisingly smooth texture that is irresistible to the touch.

Disponibile en quatre teintes, la finition en mélamine mate se distingue par un élégant effet de soie, avec une texture étonnamment lisse et irrésistible au toucher.

SB1
Sablè Naturale
Natural Sablè - Sablé Naturel

SB2
Sablè Bianco
White Sablè - Sablé Blanc

SB3
Sablè Grigio
Grey Sablè - Sablé Gris

L'effetto spazzolato della finitura Sablè è tipico delle essenze lignee lavorate da abili mani artigiane, per chi ricerca la naturalezza del legno e desidera un arredobagno dall'aspetto moderno.

The brushed effect of the Sablè finish is typical of wood processed by skilled craftsmen, for those who seek the naturalness of wood and want a modern-looking bathroom furniture.

L'effet brossé de la finition Sablé est typique du bois travaillé par des artisans qualifiés, pour ceux qui recherchent le caractère naturel du bois et veulent un meuble de salle de bains à l'aspect moderne.

38 COLORI LACCATI OPACHI

Le finiture Venato Bianco della famiglia Nature e Bianco della famiglia Rilievo possono essere laccate in 38 colori opachi, coordinati alla palette Geromin e Hafro per creare continuità cromatica nell'ambiente bagno.

The Venato White finish from the Nature range and the White finish from the Rilievo range can be lacquered in 38 matt colours, coordinated with the Geromin and Hafro colour palettes to create colour continuity in the bathroom.

Les finitions Venato Blanc de la gamme Nature et Blanc de la gamme Rilievo peuvent être laquées dans 38 couleurs mates, assorties à la palette Geromin et Hafro afin de créer une continuité chromatique dans la salle de bains.

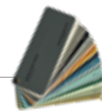

I colori sono applicabili alle superfici delle collezioni Geromin Bathroom e Laundry e ai pannelli delle vasche Hafro. La laccatura dei pannelli potrebbe discostarsi lievemente dai mobili da bagno.

These colours can be applied to the surfaces of the Geromin Bathroom and Laundry collections and to the panels of the Hafro bathtubs. The lacquering of the panels may differ slightly from the bathroom furniture.

Les couleurs sont applicables aux surfaces des collections Geromin Bathroom et Laundry et aux panneaux des baignoires Hafro. La laque des panneaux peut différer légèrement de celle des meubles de salle de bains.

Goccia

 L'eleganza compatta del monoblocco Goccia trasforma il bagno in uno spazio sofisticato e allo stesso tempo pratico. Il capiente cassettone e il vano a giorno della struttura si integrano perfettamente con il top in Gres e i lavabi in ceramica, garantendo design e massima funzionalità.

 The compact elegance of the Goccia monobloc transforms the bathroom into a sophisticated yet practical space. The structure's capacious drawer and open module integrate perfectly with the Gres top and ceramic washbasins, guaranteeing design and maximum functionality.

 L'élégance compacte du monobloc Goccia transforme la salle de bains en un espace sophistiqué et pratique. Le tiroir et le compartiment ouvert de la structure s'intègrent parfaitement au plan en Grès et aux lavabos en céramique, en garantissant un design et une fonctionnalité maximale.

La maniglia integrata con profilo a J facilita l'apertura di ante e cassetti e valorizza la linearità della collezione.

The integrated J-shaped handle makes it easier to open doors and drawers and enhances the clean, linear design of the collection.

La poignée intégrée au profil en J facilite l'ouverture des portes et des tiroirs et met en valeur les lignes épurées de la collection.

Mobile Bicolore

È possibile realizzare il mobile Goccia abbinando alla base un modulo a giorno di finitura differente.
Per il prezzo di listino, fare riferimento alla finitura con fascia di prezzo più alta.

Two-tone base unit

The Goccia base unit can be customised by combining the base with an open-module in a different finish.
For the price list, please refer to the finish in the highest price range.

Meuble Bicolore

Il est possible de réaliser le meuble Goccia en associant à la base un module ouvert présentant une finition différente.
Pour le tarif catalogue, se référer à la finition correspondant à la tranche de prix la plus élevée.

Flux è un lavabo da appoggio, installabile sul mobile Goccia con vasca a destra o a sinistra. Gli angoli stondati addolciscono le geometrie, mentre la superficie laterale offre uno spazio utile per gli oggetti d'uso quotidiano.

Flux is a countertop washbasin that can be fitted onto the Goccia unit with the basin on the right or left. The rounded corners soften the lines, while the side surface provides a handy space for everyday items.

Flux est un lavabo à poser, pouvant être installé sur le meuble Goccia avec la cuve à droite ou à gauche. Ses angles arrondis adoucissent ses lignes, tandis que la surface latérale offre un espace pratique pour poser les objets du quotidien.

Il profilo di presa a J segue la finitura del frontale e integra l'apertura senza elementi applicati. La continuità della superficie sottolinea la pulizia formale della composizione.

The J-shaped handle profile follows the finish of the front panel and integrates seamlessly with the opening without any additional fittings. The continuity of the surface emphasises the clean lines of the design.

Le profilé de prises en forme de J épouse la finition de la façade et s'intègre à l'ouverture sans éléments rapportés. La continuité de la surface souligne la pureté formelle de la composition.

Vera PLUS

 Vera Plus si distingue per la sua bellezza minimale, arricchita da dettagli curati e linee pulite. Con numerose configurazioni possibili, si adatta con eleganza anche agli ambienti domestici più esclusivi. La consolle in ceramica può essere installata in appoggio, a parete o su una struttura in metallo, per un bagno che si distingue per eleganza e personalità.

 Vera Plus stands out for its minimalist beauty, enhanced by fine details and clean lines. With numerous possible configurations, it adapts elegantly to even the most exclusive home environments. The ceramic console can be wall-mounted, countertop or installed on a metal frame, for a bathroom featuring elegance and personality.

 Vera Plus se distingue par sa beauté minimaliste, rehaussée par des détails fins et des lignes épurées. Grâce aux nombreuses configurations possibles, elle s'adapte avec élégance aux environnements domestiques les plus exclusifs. La console en céramique peut être installée sur meuble, au mur ou sur un cadre métallique, pour une salle de bains qui se distingue par son élégance et sa personnalité.

La finitura Ares Grigio conferisce carattere materico alla composizione e si coordina con pareti, rivestimenti e altri elementi d'arredo.

The Grey Ares finish lends a textural quality to the design and complements the walls, wall coverings and other furnishings.

La finition Ares gris confère un caractère texturé à l'ensemble et s'harmonise avec les murs, les revêtements et les autres éléments d'ameublement.

La cannettatura Rilievo dà ritmo ai frontali: le modanature arrotondate creano un'alternanza di luce e ombra che rafforza il carattere tridimensionale di Qubo².

The Rilievo moulding adds rhythm to the front panels: the rounded mouldings create an interplay of light and shadow that enhances the three-dimensional character of Qubo².

Les moulures Rilievo apportent du rythme aux façades: leurs contours arrondis créent un jeu d'ombres et de lumières qui renforce le caractère tridimensionnel de Qubo².

CONDIZIONI GENERALI DI VENDITA

General terms and conditions of sale - Conditions générales de vente

1. DECORRENZA

Le presenti quotazioni decorrono dal 01 Novembre 2026 e annullano e sostituiscono tutte le precedenti.

2. ORDINI

Qualsiasi ordine è impegnativo per il committente; lo diventa per Gruppo Geromin Srl solo a seguito di specifica conferma scritta.

3. ANNULLAMENTO ORDINI

L'annullamento di un ordine implica l'accettazione scritta da parte di Gruppo Geromin Srl. Gruppo Geromin Srl si riserva la facoltà di addebitare al committente tutti gli oneri conseguenti.

4. TEMPI DI CONSEGNA

I tempi di consegna indicati sulla conferma d'ordine sono meramente indicativi; in caso di ritardo non è riconosciuto alcun indennizzo. I tempi di consegna sono espressi in giorni: gli stessi devono essere intesi come giorni lavorativi (da lunedì a venerdì). La consegna dell'ordine si intende evasa all'atto della presa in carico del prodotto, presso il magazzino Gruppo Geromin Srl, da parte del vettore incaricato del trasporto.

Nessuna responsabilità sarà riconducibile a Gruppo Geromin Srl e nulla sarà riconosciuto all'acquirente qualora la mancata consegna non sia attribuibile all'azienda stessa.

A mero titolo esemplificativo: ritardi di terzi (inclusi fornitori e subfornitori), cause di forza maggiore come mobilitazioni, scioperi, chiusure, incidenti, guasti alle macchine, eventi meteorologici o comunque in genere qualsiasi altro caso che comporti l'inattività o il rallentamento degli stabilimenti aziendali. I termini fissati per la spedizione non sono tassativi e in nessun caso possono costituire pretesto per ritardati pagamenti o richieste di risarcimento danni.

5. TRASPORTO

Salvo patto contrario i prodotti si intendono venduti "Franco Stabilimento" ovvero "Ex Works". Ai sensi dell'art. 1510 del codice civile, la merce viaggia a rischio e pericolo dell'acquirente.

Per le consegne nazionali con importi (imponibili) inferiori a 500 € verrà applicato un contributo pari a 25€.

Per le consegne richieste tramite corriere espresso l'importo sarà valutato in base al peso ed al volume del prodotto da spedire.

Il trasporto a carico di Gruppo Geromin sarà eseguito tramite scarico rapido a cura del destinatario, mediante muletto, direttamente dalle porte posteriori del mezzo (lo scarico dovrà avvenire indicativamente entro 30 minuti).

Ricordiamo che non sono previste operazioni di facchinaggio, consegna con sponda idraulica, consegne differenti rispetto al magazzino del cliente, accesso a zone on traffico limitato, centri storici, ecc.

Gruppo Geromin si riserva il diritto di applicare supplementi di prezzo per consegne differenti rispetto a quanto sopra riportato.

6. PAGAMENTI

Le condizioni di pagamento, se non diversamente indicate in fattura, sono le seguenti:

- vendite nazionali: 30 gg df, in presenza di una linea di credito accordata; diversamente, pagamento anticipato all'atto della consegna;

- vendite export: lettera di credito irrevocabile confermata da primario istituto di credito italiano.

I prodotti forniti rimangono di proprietà di Gruppo Geromin Srl fino all'avvenuto completo pagamento in conformità agli art. 1523 e seguenti del Codice Civile.

7. RECLAMI

Il cliente che riceve un prodotto danneggiato durante il trasporto deve firmare la bolla di consegna con riserva di controllo, specificando la tipologia di danno riscontrato e comunicare a Gruppo Geromin Srl, entro il termine di 8 giorni, a mezzo lettera mail o lettera raccomandata, il danno rilevato.

8. RESI

I resi devono essere espressamente autorizzati da Gruppo Geromin Srl. In ogni caso restano a carico del committente gli oneri relativi al trasporto, nonché i costi amministrativi quantificati nella cifra minima nel 50% del valore di fatturazione. Non si accettano resi riguardanti prodotti realizzati su specifica richiesta. Quando si accetta un reso di materiale, l'abbuono corrispondente sarà effettuato dopo la ricezione, prove e valutazioni dello stesso da parte di Gruppo Geromin srl.

9. GARANZIA

Gruppo Geromin Srl garantisce i prodotti del listino "Monoblocchi & Composizioni" contro vizi di fabbricazione e di materiale solo se riscontrati da personale autorizzato dall'azienda per un periodo di 24 mesi dalla data di acquisto comprovata dalla ricevuta o dallo scontrino fiscale. La garanzia comporta unicamente la sostituzione del prodotto e/o delle parti da noi riconosciute difettose.

Sono esclusi dalla garanzia e da ogni nostra responsabilità l'usura ed il normale degrado dei prodotti, modifiche e/o personalizzazioni apportate dal cliente o da terzi senza l'autorizzazione del costruttore, rottura o danneggiamenti accidentali dovuti da urti ed uso improprio, il mancato rispetto delle modalità di installazione ed uso e l'installazione di un prodotto difettoso senza aver effettuato i controlli previsti.

Sono esclusi dalla garanzia: i danni derivanti da trasporto (in caso di trasporto Ex Works); i danni che obiettivamente non vanno a carico del produttore. Sono escluse dalla garanzia le rotture di tutte le parti in vetro, in particolare causate da impatto, urti durante il trasporto, movimentazione manuale degli elementi in fase di installazione e impatti accidentali durante l'utilizzo.

10. PREZZI

I prezzi del listino "Monoblocchi & Composizioni" sono espressi in unità di EURO. I prezzi del presente listino sono Iva esclusa e per merce resa franco fabbrica.

L'installazione dei prodotti è sempre esclusa e deve avvenire a cura dell'utilizzatore finale. Gruppo Geromin Srl si riserva la facoltà di variare i prezzi di listino senza obbligo di preavviso.

11. DATI TECNICI e CAMPIONI

I dati tecnici relativi ai prodotti illustrati nel presente listino sono puramente indicativi. Gruppo Geromin Srl si riserva la facoltà di apportare tutte le modifiche che riterrà opportune. Sussistono margini di tolleranza dovuti a variazioni del prodotto o dei campioni causate da fattori ambientali o fattori naturali, indi per cui la conformità al campione non deve intendersi in senso tassativo. I dépliant hanno carattere puramente illustrativo.

Gruppo Geromin srl declina ogni responsabilità per eventuali errori di stampa, i quali non potranno costituire motivo di reclamo.

12. COPYRIGHT

I prodotti di Gruppo Geromin Srl sono distribuiti e disponibili per l'acquisto solo ed esclusivamente tramite la rete di rivenditori e distributori autorizzati. Le immagini relative ai prodotti di Gruppo Geromin Srl costituiscono parte integrante della proprietà. Qualsiasi utilizzo di dette immagini può essere autorizzato esclusivamente dietro concessione scritta da parte di Gruppo Geromin Srl.

13. FORO COMPETENTE

Per qualsiasi controversia è esclusivamente competente il foro di Pordenone.

CONDIZIONI DI VENDITA IN "E-COMMERCE"

- I prodotti del listino "Monoblocchi & Composizioni" potranno essere posti in vendita con uno sconto massimo del 30% dal listino in vigore, esclusa IVA, trasporti e costi accessori;
- Le spese di trasporto, IVA e ulteriori costi accessori, dovranno essere separati dal prezzo del prodotto offerto, in modo tale da rendere trasparente il prezzo di vendita;
- È severamente vietato l'utilizzo di sistemi di "asta a ribasso";
- Potranno essere usate solo immagini ufficiali provenienti dal catalogo. L'uso di altre immagini dovrà essere autorizzato da Gruppo Geromin Srl.

Le foto sono puramente dimostrative. Riferirsi alle schede tecniche per dettagli tecnici.

Gruppo Geromin Srl si riserva il diritto di apportare modifiche al prodotto in qualsiasi momento senza darne alcun preavviso.

PROGRAMMA GRAFICO 3CAD

Si precisa che il programma grafico 3CAD ha esclusivamente la funzione di supporto alla progettazione e alla vendita: per tutte le informazioni sui prodotti è necessario fare fede al listino "Monoblocchi & Composizioni". Preventivi e conferme derivanti dal programma grafico 3CAD sono soggetti alla conferma da parte di Gruppo Geromin Srl, sia per i prezzi che per la fattibilità.

1. DECORRENZA

These quotations shall take effect on 01 November 2026 and cancel and replace all previous quotations.

2. ORDERS

Any order is binding on the customer; it becomes binding on Gruppo Geromin Srl only upon specific written confirmation.

3. ORDERS CANCELLATION

The cancellation of an order implies written acceptance by Gruppo Geromin Srl. The company reserves the right to charge the customer for all consequential charges.

4. DELIVERY TIME

Delivery times indicated on the order confirmation are merely indicative; in case of delay, no compensation is recognized. Delivery times are expressed in days: the same should be understood as working days (Monday to Friday). Order delivery is intended to be fulfilled when the product is taken in charge, at the Gruppo Geromin Srl warehouse, by the carrier in charge of transport.

No responsibility will be attributable to Gruppo Geromin Srl and nothing will be recognized to the purchaser if the non-delivery is not attributable to the company itself. Purely by way of example: delays by third parties (including suppliers and sub-suppliers), force majeure causes such as mobilizations, strikes, closures, accidents, machine failures, weather events or in general any other case that results in the inactivity or slowdown of the company's factories.

The delivery deadlines are not binding and under no circumstances may they constitute a pretext for late payment or claims for damages.

5. TRANSPORT

Unless otherwise agreed, products are sold "Ex Works of the seller factory" or "Ex Works".

Transport, even if organized by the seller on request and/or in the interest of the client, is always at the expense and risk of the latter. For deliveries requested by express courier, the amount will be calculated based on the weight and volume of the product to be shipped.

Transportation by Gruppo Geromin will be carried out by means of rapid unloading by the addressee, using a forklift truck, directly from the rear doors of the vehicle (unloading must take place within approximately 30 minutes).

Please note that we do not provide portorage services, deliveries with hydraulic tail lifts, deliveries to locations other than the customer's warehouse, access to restricted traffic areas, historic town centres, etc.

Gruppo Geromin reserves the right to apply additional charges for deliveries other than those described above.

6. PAYMENTS

Payment terms, unless otherwise stated on the invoice, are as follows:

- sales in Italy: payment due within 30 days of the invoice date where there is an approved credit line; otherwise, payment due upon delivery;

- international sales: irrevocable letter of credit confirmed by a major Italian bank.

Products supplied remain the property of Gruppo Geromin Srl until full payment has been made in compliance with art. 1523 et seq. of the Italian Civil Code.

7. COMPLAINTS

The customer who receives a product damaged during transport must sign the delivery note with reserve of control, specifying the type of damage found and communicate to Gruppo Geromin Srl, within the period of 8 days, by mail or registered letter, the damage found.

8. RETURNS

Returns must be expressly authorised by Gruppo Geromin Srl. In any case, the charges relating to transport and administrative costs quantified in the minimum figure of 50% of the invoice value shall be borne by the purchaser.

Returns are not accepted for products made to specific request. When accepting a return of material, the corresponding rebate will be made after receipt, testing and evaluation of the same by Gruppo Geromin srl.

9. WARRANTY

Gruppo Geromin Srl guarantees the products of "Monoblocs & Compositions" catalogue against manufacturing and material defects only if discovered by personnel authorized by the company for a period of 24 months from the date of purchase proven by the receipt or receipt. The warranty only involves the replacement of the product and/or parts recognized by us as defective.

Excluded from the warranty and all our responsibility are wear and normal deterioration of the products, modifications and/or customizations made by the customer or third parties without the manufacturer's authorization, breakage or accidental damage due to impacts and improper use, failure compliance with the installation and use methods and the installation of a defective product without having carried out the required checks.

The warranty excludes: damage resulting from transportation (in the case of Ex Works transportation); damage that objectively is not the responsibility of the manufacturer. Breakages of all glass parts are excluded from the guarantee, in particular caused by impact, shocks during transport, manual handling of the elements during installation and accidental impacts during use.

10. PRICES

Prices in the "Monoblocs & Compositions" price list are in units of EURO. The prices in this price list are exclusive of VAT and for goods delivered ex-works.

Installation of products is always excluded and must be undertaken by the end user. Gruppo Geromin Srl reserves the right to change list prices without prior notice.

11. TECHNICAL DATA AND SAMPLES

The technical data for the products illustrated in this price list are purely indicative.

Gruppo Geromin Srl reserves the right to make any changes it deems appropriate. There are margins of tolerance due to variations in the product or samples, caused by environmental factors or natural factors, therefore conformity to the sample should not be understood in an peremptory sense. Brochures are for illustrative purposes only. Gruppo Geromin srl declines all responsibility for any printing errors, which cannot constitute grounds for complaint.

12. COPYRIGHT

Gruppo Geromin Srl products are distributed and available for purchase only and exclusively through the network of authorized dealers and distributors. The images related to Gruppo Geromin Srl products constitute an integral part of the property. Any use of said images may be authorized only with written permission from Gruppo Geromin Srl.

13. COURT OF JURISDICTION

Any disputes will be settled by the Court of Pordenone.

TERMS AND CONDITIONS OF SALE IN "E-COMMERCE"

- Products in the "Monoblocs & Compositions" price list may be placed on sale at a maximum discount of 30% from the current price list, excluding VAT, transportation and ancillary costs;
- Transportation costs, VAT and other ancillary costs, shall be separated from the price of the offered product so that the selling price is transparent;
- The use of 'price auction' systems is strictly prohibited;
- Only official images from the catalogue can be used. The use of other images must be authorised by Gruppo Geromin Srl.

Images are purely illustrative. Refer to the technical data sheets for technical details. Gruppo Geromin srl reserves the right to modify its products at any time without prior notice.

3CAD GRAPHIC PROGRAM

It should be noted that the 3CAD graphic program has only the function of design and sales support: for all product information it is necessary to refer to the "Monoblocs & Compositions" price list. Quotations and confirmations derived from the 3CAD graphic program are subject to confirmation by Gruppo Geromin Srl, both for prices and feasibility.
